Graduation Booklet

Vision

Becoming a national TVET leader in empowering learners with quality knowledge, skills and values to contribute to the national economic development.

Mission

To work in partnership with industry, using quality and responsive programmes which incorporate innovation and research to enrich learners' competences for employment, entrepreneurship and lifelong learning in a globalized environment.

The SIT Quality Assurance Policy Statement

The Seychelles Institute of Technology (SIT) strives to provide high quality employable competencies in TVET and ICT training courses and programmes, through establishment of an internal quality management system guided by quality procedures and processes in all its operations.

Dear Graduates,

On behalf of the Seychelles Institute of Technology (SIT), we wish to congratulate you all on successfully completing your studies and training in December 2023 and today being presented with your certificates.

Graduation is about recognizing your achievements based on the results from your performance during your training at SIT. This momentous occasion also marks the end of a whole chapter in your journey in life.

From your training ,you have been equipped with relevant skills to navigate with , enabling you to earn an income to support you and your family as you journey in life. Some of you will use the advantage of this well earned certificate to apply for further studies in higher education establishments. You deserve this opportunity. Go for it!

To your parents, relatives, and friends , we extend our thanks and congratulations for your mentorship role during training. Of course you had your lecturers who facilitated your training ,with whom you may have developed a special relationship. We would therefore like to pay tribute to their contributions and those from the administrative staff also who have supported you on your academic journey.

As you venture into new chapters of your lives, remember the valuable lessons and skills you have acquired at SIT.

Last but not least, we would like to thank members of the SIT Governing Board for their support and guidance in 2023

Once again, congratulations on your graduation, and we wish you all the best in your future endeavors!

Philippe Morin MSc CEng MIET MIEEE
Chairman SIT Governing Board
